Those were the words out of my mouth when I got on set and saw Danny's cock. Unfortunately they told me that I needed to do 'ordinary' sex. You know: bjs, straight fucking and after that was done I would get it. But all I wanted to do was fifteen minutes before I couldn't take it any more and then grabbed his cock and plunged it into my ass. And for the next half hour, that's where that huge thing stayed.

put a stamp on it

When you move to a new place, the people you get to know are the ones you'll see every day as you do your daily chores and errands. They may be the easiest ones to have a liaison with, so you have to be careful.

I was 25 years old and living in Buckhead in Atlanta at the time. I loved it there. The atmosphere was just what I needed then and I was out enjoying it every day. The hip atmosphere and the friendliness of the people made it an enjoyable place to live. I moved there about five years earlier with my husband at the time, and decided to engage myself with the local community. I got to know my butcher, Josh, down the block; the hairdresser, Millie, I saw every couple weeks; and the mailman, Manfred, whom I saw almost every day. I loved to sit on my porch sipping my morning brew and often he'd come up and put his one foot on the stair and we'd talk about everything. He liked to be called Manny. Even when I didn't have mail he'd walk by on his route and wave or if he had a few minutes, he'd stand at the fence and we'd chat across the yard. I just loved his Southern accent and often teased him about it. In return he'd tease me about my Brooklyn accent and we'd laugh and laugh.

Manny could have been a poster guy for the post office. He was fit, from all the walking, friendly from all the talking, and delivered rain, sleet or snow. His uniform was always neatly pressed and creased. No wife, he

said – did it all himself. For thirty years. He looked over forty but I never asked him his age. He's about six foot tall, beautiful salt and pepper hair (mostly salt) and he sported a well-trimmed goatee. I thought he was quite handsome. I actually looked forward to seeing him today and the goodies that he had in his bag for me.

It was a bitter cold and snowy morning that Tuesday – a couple weeks before Christmas. I watched from the door window as Manny approached the gate. I was expecting a package from my favorite online store. A gift for my sister's daughter. I saw a big box in his arms and he struggled to see around it. He made it to the porch and I opened the door at that moment so he could bring it inside. He put it on the foyer table and shook some snow off himself. I could see he was cold and his ears were really red. I told him I made some hot chocolate for him and thought it best if he took a minute to warm up. He agreed and we sat at the kitchen table talking about the weather and the upcoming holiday. I hadn't noticed but my boobs were kinda exposed as my robe kept loosening with my arm movements. However, Manny had noticed. He looked up and smiled, "Missy, those look very pret-

ty.” he said as he brought the cocoa cup up to his lips. I was embarrassed and quickly closed the robe. “Oh, that’s nothing to be shy about.” he added. I smiled back and released the grip on my robe. This may sound silly to say, but just then our eyes met and we each instantly knew.

I dropped the robe from my shoulders, stood up and took a couple steps over to him and pulled his head into my chest. Right there where he sat. As I got close I noticed the bulge in his pants. I felt his warm mouth and tongue caressing my nipple and his strong hands under my robe squeezing my butt cheeks as he pulled me into him. My heart almost exploded out my chest. Without thinking, my hands dropped into his lap and found his hardness through the pale blue uniform. I squeezed and tugged at it with one hand while the other unzipped his pants.

“I hope this was what you wanted, Missy, now see what you can do with it.” I dropped my robe to the floor. I was completely naked. I pulled him to stand up and undid his belt, dropping his pants and boxers down to his feet. I dropped to my knees and as his cock and balls fell out right in front of my face. I could tell he had a nice cock, and a nice set of balls. His cock was uncut and thick. I immediately grabbed it and give it a little tug. I looked up and saw him looking.

I opened my mouth and pulled his cock inside. I slid the whole thing in. I pulled it out and started to work his cock harder and harder. He dropped his shirt and stepped out of his shoes and trousers. His cock was now fully erect – about eight inches long, I would say, and a nice thickness to it. He grabbed my hair and said “I have always wanted

you since you moved in here, and I can’t wait to have you. Get my dick all hard and wet for me.” I dove back onto his cock and started to work it again. He was thrusting his hips the whole time, getting faster and faster, often pulling out and hitting his dick on my face.

After ten minutes of hard sucking, he pulled out and said, “Get on all fours on the sofa. I want to taste you.” I walked out to the living room as he followed and bent myself over the sofa. He pushed my head down into exposing my ass even more, giving my ass a hard smack before diving into my pussy like a hungry dog. He was tonguing it really deep and then I felt a finger slide in as he sucked on my clit. He added a second finger and began to work my hole hard, every now and then slapping my cheek with his other hand. He pulled out his fingers and I felt the tip of his penis on my hole and felt him push. He slid in slowly at first inch by inch until he was balls deep in me. I let out a moan. He eased out and back in again a couple more times. After a couple minutes he rammed his cock really hard into me and I screamed. That seemed to make him go faster as he started fucking me hard and fast – just pounding it. This went on for a couple more minutes before he pulled out and started slapping his hard cock on my butt cheeks. He rammed it back in again and continued to fuck me, pulling out every couple minutes, slapping it on my butt and making me scream for more.

After what seemed like forever, he pulled out and sat in the arm chair. He said, “Come here and clean this cock.” I got up and tried to walk over but my legs were like jelly. I got on my knees in front of him and took his cock in my hand and dived on it, sucking and licking like my life

put a stamp on it

depended on it. He was moaning loud and pushing my head down onto his prick. He said. "How about climbing up here and going for a ride." I didn't need to be asked twice so I climbed up and straddled my legs either side of him facing away from him. I grabbed his cock underneath and guided it into my hole and lowered myself onto it. He let out a low moan as I started to ride and rock on his cock, then bouncing on it. I was riding it hard and fast as he reached around and started rubbing my clit. I started to tighten as I was going to cum and he felt this as he stopped he said, "You are not going to cum yet!" With that he pushed me off him and placed me on my back, he pulled my legs up high so they were on my shoulders and my ass was in the air with my back leaning on the sofa base. He dipped his cock right into my pussy and started to push and pull it in and out.

I was going to cum, and he said, "Open up. I want to see you taste our cum." No sooner had he said it then I started to cum moaning as he was fucking me deep. I came with a rush of flowing juices. I licked my lips and smiled as he pulled out and brought his cock down to let me suck it. I cleaned him up as he poked at my ass with his fingers, "I'm almost there. Lie on your back on the floor." I slid off the chair and into position and he came over pulled up my legs to his chest and slid his fat cock

into my gaping hole. He started to fuck hard and fast and very deep. I kept moaning loud but that only seemed to encourage him. After about five minutes, he pulled out. "I'm gonna cum. Open wide." He came around to where my face was and started to stroke his hard cock, feeding me his balls to lick and suck. He started to moan loud, I turned my head to catch his cum. As I did, a big shot of cum sprang out and hit my open mouth, and with that he shoved his cock deep in my mouth as he moaned loud and yelled out. I sucked him deep, I could feel shot after shot hitting my throat, he was saying, "That's it, take it all. Swallow it."

After about a minute he started to soften a little as I sucked and cleaned him off swallowing and savoring every drop. He pulled out and leaned over and give me a peck on the forehead. "Thanks. Just what's needed on a day like today." he said. I lay there smiling and panting. He stood up and started to get dressed as I pulled on my robe. We exchanged some small chat as he said, "I better get on with the morning – got more letters to deliver." He smiled and said "I finish at three. I'll be back here at four. Be ready for more. Ok?" With that he headed out the door. I closed it behind him. I couldn't believe what had just happened. Now I had until four to clean up and get myself ready for his next delivery.

I just love being naked and having my picture taken. And I get really excited when we're doing a video, too. Men become powerless when a naked woman is before them. We control everything. We got the mouth, we got the boobs, we got the pussy, and we got the, cum on everybody, say it with me, we got the ASS. That means we control it all just by allowing you have what we give. And then we take as much as we can.

GIRL NEXT DOOR

Rachel Luv

I'm a busy lady and don't have much time in my day. When I can, I call Johnny for a quickie at lunch. He's real close and my husband is too far away. It's a great arrangement and I take advantage of it any-time he's is home. Besides, my hubby thinks anal sex is too kinky for him, but Johnny loves to fuck my ass!

Myah Moore

Unfortunately, I knew the instant I got married that it wasn't going to last. I was too young and he was not hung. I guess you could call it an arranged marriage between my parents and his. After we separated, I got more adventurous sexually. Now I'm into anal, big time. Who knew fucking your butt could feel so good?

Tiffany Holiday

I'm too young to think about cheating. As close as I have come is hearing about it from my girlfriends. How their men would check out other girls and sometimes hook up with them. I don't want to face that in my relationships and don't expect my man to do it either. That's why I'm trying to expend a lot of sexual energy now so I can settle down to once-a-month sex in married life.

makin' out with justine at the movies

I have been pursuing Justine for almost three months now. Ever since I first saw her in the lunch line at the college cafeteria I knew I wanted her, but she didn't know that until about a month ago. I decided to get up enough nerve to approach her in the one class we had together, sophomore Economics. I lived on campus and she was a townie, still living at home with her folks I came to find out. She drove into college every day and was usually gone before my last classes ended. So when I see her sitting with a couple girlfriends in the quad, I go over to them. "Hello ladies... Hi Justine."

They all look up at me and I hear little whispers and giggles. Then she says, "Hi Paul." She knew my name! She fucking knew my name! How did she know my name? Did she wonder how I knew her name? She momentarily turned to her friends and somehow dismissed them as they got up and left leaving me and her alone. I asked if I could sit and she nodded, so I plopped my backpack on the bench and sat down next to her. She could tell I was nervous, but made me feel at ease almost immediately.

"Is there something you want to tell

me, because my next class is..." she looks at her smartphone "... in six minutes."

"There is, but how do you know my name?" I asked her, looking directly into her blue eyes.

"I noticed you a while ago and asked a guy I knew in our class who you were. And how did you know mine?" she asked without skipping a beat.

"I first saw you about three months ago and noticed your name on your notebooks." I said and she giggled. "Listen, I won't keep you, but I would like to ask if you would like to see a movie with me, or maybe dinner one night?"

She asked if she could think about it for a couple days and I said sure. As I got up to leave, she handed me her phone number, so I hope I know what that meant. I waited a couple days to call, even if I saw her on campus (from a distance). When I called her, it was between classes and she said it would be best if we met for coffee first and see how that goes. I agreed and we set up a rendezvous for Tuesday at 9 am at the coffee shop on campus.

She was right on time and ordered up a cafe latte. I wasn't much of a coffee drinker so mine was a mocha. We sat at a small table and really hit it off. We had a lot in common, and laughed a lot. As ten o'clock rolled around, she said she had to go but she'd go to the movies with me on Thursday afternoon.

We met at the theater and went in. I bought some popcorn and drinks and we sat through it, occasionally sharing quiet comments about the plot or actors. There was no romantic touching or talking, but I think we both knew there was some sexual tension between us. After the film ended we went to her car and she dropped me off at the college entrance so I could get to my dorm room. On the way, I told her that I thought the latest of the Hobbit series was starting on Thursday and before I could finish, she said she'd love to see it.

Come Thursday...

So I am so excited. I think I'm going to be a little more aggressive today and see what will happen. I am already at the movie theater waiting when she rolls up. I go to her car door to meet her before she gets out. The sight of her has me almost light headed. As she sees me approach, I hope that she can see the fire in my eyes and my lust for her.

Justine anticipated my coming to her door and squirmed in the driver's seat. I pulled the door open and extended my hand to gentlemanly help her out. As she put her left leg on the ground, her legs opened and I caught a glimpse of her lacy panty under her short skirt. She made no effort to cover up. I try to maintain a straight face. She gets all the way out and plants a big kiss on my lips. I'm a little shocked, but not surprised. She had hinted

at romance, but I did not push, letting her chase me a little more. She saw my eyes light up and sensed my naughty thoughts, I think.

I closed the door and put my arms around her waist and gently pushed her back against the door. I looked at her, our eyes inches apart, and felt her chest rise and fall. I quickly caress her shoulders and kissed her with a little more passion, our tongues finally meeting. Remembering that we are in public, she scans the area making sure that nobody sees us. Feeling the heat emanating from between her legs, I push the limits and firmly press my hand against her lady mound. She swooned and may have nearly cum in my hand, but she stayed collect-

ed enough to grab my hand and push it firmly into her crotch.

Suddenly she pulls up her skirt high enough to clear the top of her panty. I slide my hand in and slip a finger into her sopping wet and fire hot pussy. A deep but soft moan escapes her mouth and she temporarily closes her eyes to savor the feeling. Seconds feel like minutes as my long thick finger probe her juicy pussy causing her hips to thrust into my hand, rubbing her clit against my thumb. Without warning, she experiences her first climax of the evening.

"I hope you liked that," Justine says with a devilish grin and I give her a warm smile. We straighten up and finally head for the theater. Once we get inside, we make our way through the lobby, past the concession stand and into the theater in no time. She says she likes it in the back, and we both laughed as we go up the steps and find seats in the middle, way up in the top section. Before we sit, I pull her to me kissing her neck and subtly squeezing her soft ample breasts through her shirt. She pulls away not wanting to draw attention to us or get us kicked out of the theater.

On weekdays, most theaters are pretty empty, especially here in a college town. Today, only three other couples were in the place and they were sitting some twenty rows in front of us. We wait patiently for the lights to dim. After some boring previews, the lights fade out

and the feature begins. Fire on the screen, and soon in the seats. During the opening credits I kiss her neck and rub her panties again. Still wet, I kiss her lips and her ass moves up to the edge of the seat. I tell Justine to take her panties off. She starts reluctantly, but stops. After a few moments, she finally lets me finish pulling them off.

The best thing about this place is that the armrests go up and down giving us plenty of room to play between the seats. Suddenly it's dark on the screen and I drop on my knees to the sticky floor as Justine leans back into her seat. I dive right in ravishing her pussy and attacking her clit, tonguing her wet hole as deep as I can. I hear her moan lightly and exhale heavily as she cums in my mouth. As she starts to come down from that powerful orgasm, I continue to work her clit over with my finger while sticking my tongue as deep as possible. This starts an even bigger and wetter climax that Justine actually pulls a clump of my hair out as she was holding my head into her.

The screen gets substantially brighter with explosions and loud noises that make us remember we're in a public place and we quickly shuffle to make sure nobody heard us. Calmly, I get back up into my seat and adjust myself as she does to herself. To make things easier, I unzip myself and undo the top button of my jeans. I pull my super hard cock out, ready for her initial assault. But before she does, we

have to wait out the usher checking up on the theater-goers to be sure no hanky-panky is going on. We laugh and say he has to take his job more seriously. Anyway, he goes away and leaves us to new adventures. Once again the screen darkens.

Justine takes my hard, precum-dripping cock in her hand. It is hot to the touch. She swirls the gooey liquid around my mushroom head and the sensations are sublime. She sits back in her chair using a backhand stroke to pleasure me. I feel her fingers slip down and grab my balls and fondles them lovingly. Her hand tightens on my shaft with deliberate strokes that are pushing me to the edge. Fortunately for me,

I have the strength to loosen her grip and save my climax for a few minutes later.

She gets the hint and with one last surveillance of the theater to be sure the coast is clear, she lowers her head and kisses the tip of my cock, tasting the sticky and slightly salty flavor. She flicks her tongue across the tip and then takes it in her mouth. After a few moments, I hear a noise and hold her head still as a signal to stop. It's that pesky usher again waving his flashlight around. He sees a couple several rows away from us that we hadn't noticed, but he did and caught them making out. He reprimands them and goes back to his spot. Karrine gets back to it grabs my cock again and shoves it into her mouth.

Now my climax is imminent and her mouth holds my cock as her hands work the shaft. She cups my balls with her other hand and I let go. Trying to sit still, I spurt load after load into her accommodating mouth. Like a trooper, she swallows all of it and sips down a large gulp of her soda to wash it down. We decide to sit through to the end, but when the film ends, we rush to her car and then to my place to do the things there that we couldn't do in the theater.

At this point I'll leave it to your imagination as to what happens next, but let me reassure you it was the hottest sex I have ever had in my young life. Yay!

I dive right in ravishing her pussy and attacking her clit, tonguing her wet hole as deep as I can. I hear her moan lightly and exhale heavily as she cums in my mouth.
